

AL8000

Interactive Autoloader Kiosk

Allow users to top-up their account in a cash-free self service environment

Ideal for a laundry environment, with flexibility to work for copy and print control, PC access, fines and fees payment, point-of-sale or vending

Large 21.5" touchscreen for ease of use

Accepts EFTPOS and all major credit cards

Create and add value to an account to pay for services, with the ability to create and combine casual user tickets

Accepts most ID card solutions – magnetic stripe, barcode, proximity, Mifare

No staff involvement required

Encourages utilisation of multiple services by users, reducing overhead and maintenance costs

Cards or tickets can be printed with instructions or advertising to generate a revenue stream

Kiosks run powerful Supervisor Express application, providing customisable interface and graphics

Secure, with pick proof locks and a battery backed tamper alarm
