AL7000

Interactive Autoloader Kiosk

Create a cashless environment with account management for copy and print control, PC access, fines and fees payment, point-of-sale or vending

Interactive touch screen for ease of use

Configurable payment options – accepts coins, notes, EFTPOS and all major credit cards

Create and add value to an account to pay for services, with the ability to create and combine casual user tickets

Accepts most ID card solutions – magnetic stripe, barcode, proximity, Mifare

No staff involvement required

Encourages utilisation of multiple services by users, reducing overhead and maintenance costs

Cards or tickets can be printed with instructions or advertising to generate a revenue stream

Kiosks run powerful Supervisor Express application, providing customisable interface and graphics

Secure, with pick proof locks and a battery backed tamper alarm
